Clerk

DISTRACTED DRIVER INFORMATION
Ohio Revised Code 4511.991 (Effective 10/29/18)

IF you have been charged with the Distracted Driver Stipulation on your traffic citation, your case reflects a \$100.00 charge in addition to your offense(s) charged by the arresting agency. If you wish to AVOID PAYING the \$100.00 Distracted Driver fine you can go to <https://www.drivertraining.ohio.gov> and take the Ohio Department of Public Safety's online course. Once you have completed the course you are REQUIRED to email your certificate to: distracteddriver@ci.bellefontaine.oh.us BEFORE you pay your ticket so we can deduct the \$100.00 fee. From the homepage you would click "courses/programs". The next page will contain a "Distracted Driver" option. Click on "Enter Course". It is your responsibility to take the course BEFORE you pay your ticket. The \$100.00 will not be refunded if the ticket is paid **before** the course is completed. If you need additional time to take the course, please call 937 599-6127 and asked for a continuance. You must take the course each time you are charged with a Distracted Driver Stipulation in order to have the fee removed. If you need more time to take the course you are allowed to continue your case one time up to one week. If you wish to appear at your arraignment, bring your certificate stating you have completed the course to your arraignment at Municipal Court. If you have submitted your certificate and the amount on your case is still showing the \$100.00 fee, please call 937 599-6127.
