

ENGINEERING DEPARTMENT FEE SCHEDULE:

Alley Vacation \$75.00

Annexation \$250.00

Building/Zoning Permits... for roofing, siding, replacement windows and accessory structures less than 200 sq. ft., you pay in the Engineering Department using the fee below.

All other permits come to the Engineering Department first to get a Zoning Permit. The Engineering Department needs a drawing of the lot and where the buildings set and where the addition will be with detentions showing how far the addition is from the lot lines. People sometimes use a mortgage survey to help with the drawing. We then issue a zoning permit to take to the Logan County Building Department (592-7473) for the Building Permit (there is a fee).

Less than \$250.00 there is no Zoning Permit fee
