COMMUNICATIONS FROM CLERK: Mr. Dodds will be filling in as Clerk at the June 11th meeting.

COMMUNICATIONS FROM COUNCIL: Mrs. Hager asks for an update on the old post office building. Mayor Stahler explains the three stipulations that have been met, roof, windows and securing/clean up of the Property. Now they are on their own timeline and investment.

Mr. Hadley spoke with a concerned citizen who would like to see the creek bed at Washington and Ludlow maintained and mowed. He feels it is unfair for the city to cite people for lack of property maintenance if the city does not do the same. Mr. Hadley also asks why the street lights make it faster to drive straight through the city instead of using the bypass route. This is discussed with Mr. Henry adding that there are plans for better signage for truck traffic and enforcement to use the bypass.

Mr. Lile asks for an update on the start date for Kaleidoscope Park. It is explained that local companies have graciously volunteered their time and will begin soon.

ADJOURNMENT – 7:53 pm

Bonnie Campbell, Clerk of Council

Zeb Wagner, President of Council
